Please partner with us in prayer:

Give thanks to God that by His grace He has called us into His glorious light, and has forgiven us all our sins; for while we were yet sinners, Christ died for us.

We ask that you pray that God will empower and strengthen us to faithfully live Christ-focussed and Christlike lives as we seek to share the gospel with people in the region of Mirassol and Rio Preto.

Please pray that we remain totally focussed on the mission, and that we do not become distracted from that goal as we settle into our new home.

We ask that you will pray that we will remain spiritually, emotionally and physically healthy and that we bring glory to God with our lives.

Please pray that God will bring us many people to hear, receive and be transformed by the gospel and that we will continually rely on God alone and not on ourselves, in all that we do.
